Dear Roscoe:

I want to thank you for your letter of November 25th and for extending our agreement for a period of one year. I sincerely appreciate this.

I thought that you would be interested in knowing that our boys arrived in New York on the Motor Glides on Tuesday, Dec. 6th, at 8:50 p.m. It was very tough going between Toledo, Cleveland and Harrisburg through snow and sleet.

When do you plan on returning to the Coast?

Kindest regards and best wishes,

Sincerely yours,

E. F. SALS'BURY.
