Hollywood, California.

Dear Miss Lyons:

I wish to thank you for writing to Mr. Hilke of the Seattle Cedar Lumber Manufacturing Company on May 25th. We received an order this morning from Mr. Hilke for a Motor Glide and will make shipment to him at the earliest possible date.

In connection with answering inquiries that come in, I suggest that you refrain from mentioning the folding handle bar feature of the Motor Glide, as we are planning to eliminate this feature on the standard model, although it will be available on special order at a slightly higher price.

Otherwise your letter is splendid and as I said before, I appreciate your replying to the inquiry received.

Cordially yours,

E. F. Salsbury
