Col. Roscoe Turner,
40 Oak Street,
Chicago, Illinois.

Dear Roscoe:

Since returning to Los Angeles the thought has come to me that we organize through our dealers, in the various cities throughout the country, ROSCOE TURNER MOTOR GLIDE CLUBS.

The form of letter which we intend to send out to all our dealers is enclosed and if this meets with your approval, please let me know by return airmail. It would necessitate your going to the various cities in which these clubs would be organized, but we are setting the minimum requirement at twenty-five members each of whom must own a Motor Glide, and you will present each member with a pair of gold wings designed along the same lines as the present wings which you wear, only (of course) minus the diamonds.

Kindest regards and best wishes.

Sincerely yours,

E. F. SALSBURY,
President.
