INGLEWOOD, CALIFORNIA

Col. Roscoe Turner,
40 E. Oak Street,
Chicago, Illinois.

My dear Roscoe:

I am sorry that I missed you before your take-off for Cleveland, and have not been in touch with you as I expected to be in Chicago a couple of weeks ago.

It does not look as though, however, that I will be going East for some time, and in the meantime I would like to get some definite word from you, if possible, as to what kind of an arrangement you would like to make insofar as your personal effort and services are concerned in the Motor Glide business.

It is necessary that I completely re-organize and re-finance our present picture, and I assure you that it is my desire to compensate you for the very splendid services which you have rendered in the Motor Glide field. Therefore, please let me know just what your ideas are on this matter at the present time as it is quite important to get this phase of the situation straightened out before any further changes occur in our corporate structure.

If you have any friends financially able to give us any assistance at the present time, it would be greatly appreciated as I am quite frank to say that, unless we receive some immediate help financially, it will be necessary to discontinue the Motor Glide business entirely and concentrate on another line of business.

Sincerely yours,

E. F. SALSBURY,
President.
